HEALTH & SOCIAL CARE

CAREER PATHWAY

- The time and length varies according to your needs and the student's
- Experience needs to be purposeful to help students decide on a career in care
- The quality experience they do with you is linked with substantial qualifications at Shape
- Career Pathway students require a voluntary work placement
- Once the student is happy with their career choice and impresses you with their enthusiasm, dedication and skills we hope it encourages you to employ them as an apprentice or provide a quality reference.

APPRENTICESHIP

- You are responsible for paying them the minimum wage for apprentices
- Employment must be for at least 30 hours a week (Training at Shape is included in these hours)
- Apprentices need to work with experienced staff and learn job-specific skills
- They study at Shape once a week to work towards the Level 3 Diploma in Health & Social Care
- Once they achieve the Level 3 qualification you can employ them as a qualified member of staff

ABOUT SHAPE

Shape Training provides a range of well-established and flexible training packages to meet both the employer's and learner's needs.

- We can be your recruitment solution
- Our thorough student induction makes a positive difference from day 1
- We tailor training to benefit your business

Whether you want to take on someone temporary to offer them work experience, or you want to employ an apprentice we have the student to fit your need!

Shape's close-knit team of specialist staff train students on our premises, however they also frequently visit the employers premises to observe and review students. On a weekly basis we call to check students attendance. We work closely with employers and students to ensure the experience benefits both parties.
